

## M.A. Visual and Media Anthropology

### TECHNICAL INFORMATION

All technical equipment mentioned on the list can be borrowed from:

**Andreas Solty, Medienservice**

Medienservice@PolSoz.FU-Berlin.de

Otto-Suhr Institut (OSI)

Innstraße 21

14195 Berlin

ground floor left, glass box in front of library.

Opening hours:

Mo-Fri.: 9:45-10:15

11:45-12:15

13:45-14.15

15:45-16:15

Please send Hr. Solty an email (**Medienservice@PolSoz.FU-Berlin.de**)

with a list of technical equipment you need (at least one week before you want to use it).

He does not speak English so you will soon be provided with a template that you can use to copy and paste.

Be aware that it's a first-come-first serve basis so try to reserve as early as possible!

You are allowed to borrow a camera for fieldwork purposes but for no longer than **three weeks**.

Exceptional cases can be discussed with Kristian Petersen: **k.petersen@fu-berlin.de**

In addition the video cameras, we have an OSI and we also offer one:

**Canon SLR camera (60D) with a Canon EF 17-55mm 1:2.8 lens.**

In case you want to borrow this camera please send an email to

Kristian Petersen: [k.petersen@fu-berlin.de](mailto:k.petersen@fu-berlin.de)

The camera is kept at the institute in our office and will be handed out according to individual dates.

Since we had some bad experiences with people deleting other students' important material from the SD cards and due to the fact that even 16GB cards are very affordable, we ask students to buy their own SD cards (class 10).
